EXCURSIONS PROGRAM

Follow us to discover the Dominican Republic, Book one of our excursions. You will enjoy it!

SAONA ISLAND

From our beach we will take you on a 30 minutes motorboat ride on the Caribbean Sea, passing the spectacular Eastern National Park. White sand and cool blue water awaits us, with breathtaking untouched nature. You'll have time to explore or just relax under the warm sun. Then we go for lunch a buffet on the beach. On the way back we stop at the Natural Pools for an opportunity to take pictures with the starfish. Bring a towel and sunscreen, and don't forget the camera!

SANTO DOMINGO

Welcome to the city of the New World. The first city discovered by Christopher Columbus. During the first part of the tour, you will visit the National Aquarium and then the Colonial Zone with the "Alcazar de Columbus", the home of Columbus's son Diego. Tour the National Pantheon and enjoy a walk down the New Worlds first street. Then visit the first Cathedral of the Americas. Lunch is offered at an International Restaurant, and spend the rest of the afternoon shopping in the famous market place "Mercado Modelo". During the trip back to the hotel, you will pass by the "Faro a Colon" to take some pictures.

Please note, knees and shoulders must be covered to enter the cathedral.

DOMINI – BUS

The Dominibus, a fun an interesting tour of the island, the Dominibus will give you the opportunity to travel from one village to another. Experience the true lifestyle of the Dominican people, and see first hand the layout of the countryside. Be ready to enjoy cacao, coffee, and tobacco in its natural state, see avocado, pineapple, coconut, banana, and papaya plantations. On our way Boca de Yuma and a short excursion in the river yuma. With international music and our national cocktail " Cuba Libre" the Dominibus is a party of its own. Join us in celebrating the beauty of our island.

SAONA ISLAND –CATAMARAN

SUNSET CATAMARAN

Enjoy the colors of a Caribbean Sunset while taking a pleasant and relaxing mini cruise that lasts 2 hours on board a catamaran. Music, rum and dancing together make this trip perfect.

All prices are per person, in US$ and subject to change or modify without notice. For every 25 people, one person is FREE. All the excursions include transfer.

ANCLA 30ft 9mThis reef is a flat garden in front of Viva Wyndham Dominicus Beach, with many types of coral and sponges. An ancient anchor 12-15ft/4-5m long, lies on this reef conceal by a small garden of coral.Shore dive, perfect for night dive
PARQUE, CASA ESTRELLA, AQUARIO, ANGUILLAS PARADISE 40ft 12m These 4 shallow reefs are found in front of "Parque Nacional del Este". Here you will find a large variety of coral, soft coral, sponges and sea fans, you can also find barracudas, Nassau groupers, spotted eels, green moray, spotted sting rays, angel fish, star fish and porcupine fish. Perfect for beginners or novice divers.
QUASIMILLA, EL FARO 54ft 16m This beautiful reef is a flat garden with many types of coral and sponges. The abundance of sponges has created a perfect environment for turtles and lobsters. At certain times of the year it is also possible to see huge schools of jack fish and snapper, barracudas and other large fish. This dive site is a light current dive.
TORTUGA 70ft20m This beautiful reef is a flat garden with many types of coral and sponges, easy to see turtles and lobsters. It is also possible to see huge schools of jack fish and snappers, barracudas and other large fish. This dive is a light current dive.
COCA' S WRECK 60ft 18m Reef in front of Hotel, a small old wreck where you will find green and black coral and huge sponges of many different colors, easy to find green moray eels, turtles, grouper and reef sharks. This dive is for medium expert divers.
Catalina Canyon, Catalina Wall 100ft 30m These walls lies at 15ft/5m, in the drop of you can find green and black coral and huge sponges. It is also possible to see sharks, turtle and moray eels. The abundance of sponges, sea fan and soft coral, has created a perfect environment for schools of colored fish such as angelfish, butterfly fish and pork fish. Barracudas, groupers and horse eye jacks are also common. These are wall dives.
The St. George She lies at 135ft/44m. This wreck is a 240ft/80m cargo.In the 1998 was deeply damaged by Hurricane George. It was sunk in front of Viva Wyndham Dominicus Beach in 1999 to create an artificial reef. The new marine life find, in this shipwreck, the best condition for growth and with the time this dive will be the amazing dive spot of this zone. The dive conditions and the depth of the shipwreck make this dive suitable for advanced divers.

Viva Wyndham diving offers 20% discount for groups with a 10 person minimum

(Mask, fins, snorkeling and life vest are included in the prices)
